

P2 Learning Letter – August 2024

Dear Parent/Carer,

I would like to welcome our P2 children back to a new year at Mid Calder Primary School. I hope you have had a lovely summer. I have spent the last 2 weeks getting to know your children and establishing new routines.

We have been working on our class community, particularly focusing on our class charter, school rules and values. The children have also been looking at the UN Rights of a child and have been making decisions about how the rights fit in to our classroom. The children have been discussing how we ensure our classroom is a safe and caring learning environment and thinking of ways that they can take ownership of this ethos.

As always, please don't hesitate to get in touch with any questions.

Mrs Bukhari

English & Literacy

Phonics: We are revising sounds we have previously learned in Primary 1 and developing decoding/ encoding and blending skills.

Reading: We are focusing on reading tricky words and blending sounds together to read short words. Reading sessions will focus on characters, settings and making predictions about the story, allowing children to build on their comprehension skills.

Writing: Handwriting will focus on lower case letter formation. Our writing focus will be information reports, identifying key words and ways to make our writing more interesting.

Listening and Talking: We have been getting to know each other through circle time games and news time. We are practising taking turns to speak and encouraging listening skills.

Maths & Numeracy

Children will participate in daily number talks. This is a short session with the aim of developing number sense – awareness of numbers and what they are, how numbers can be made, subitizing and addition and subtraction skills.

Numeracy:

- Revision of the numbers to 20 – counting forwards and backwards, recognising numbers, using different counting strategies
- Revision of the formation of numbers to 20 and beyond
- Progress to working with number sequences to 30 and beyond
- Skip counting in 2's, 5's 10's
- Use of concrete materials

Maths

- Fractions – learning to share and group items in halves and quarters.

Interdisciplinary Learning: Under the Sea

This term our context for learning is 'Under the Sea'. We will be learning about this context through the curriculum areas of Social Studies, Art, Literacy and Technologies.

P.E. Days – Monday and Wednesday

Please ensure your child wears clothing suitable for taking part in P.E.

Outdoor Learning - learning in the outdoors will be embedded into our days, so please ensure your child has a coat every day.

Homework – Homework will start after the September break. More information to follow.

Adults helping in our class:

- Miss Clark will be teaching the children Art this term.
- Mrs Smith will be teaching the children Health and Wellbeing this term.
- Mrs Clark will be our Pupil Support Worker this year.

Reminder – Please try to label coats, jumpers and cardigans. It helps us get them back to the correct children at the end of the day!

United Nations Rights of a Child: In March 2023 we successfully achieved our Bronze Rights Respecting School Award. As a school we are currently working towards our Silver Award and are engaging in lots of activities to develop our children's understanding of their rights. If you'd like to learn more, then you can use the following link from Parents Club: <https://www.parentclub.scot/articles/childrens-rights>.
