English & Literacy

Phonics: We will continue to use the Phonics International spelling programme using differentiated spelling activities and new spelling patterns each week.

Reading: For reading we will be looking in-depth at recount texts which will link in with our writing genre this term. We will continue to develop our fluency and question skills.

Writing: Handwriting will focus on upper case letter formation. We will be exploring recount texts.

Listening and Talking: We will continue with the 'All about me' box. The children are all very enthusiastic about sharing their items with the rest of the class.
